

PROFILE

IATF 16949	: 2016
AS 9100C	: 2009
ISO 14001	: 2015
OHSAS 18001	: 2007

1	Year of Establishment	2004	
2	Contact Person	V.B.Tamboli	
3	Shareholders' Funds (Equity + Reserves) as of March 2019 (Rs. Million)	602.37 Million Rs.	
4	Sales & Other Income in Financial Year April 2019 to March 2020 in Rs. Million	518.99 Million Rs.	
5	Annual Output, in Metric Tons	Last year	500
		Installed Capacity	800
6	Number of Employees	Workmen	490 (Direct and contract)
		Plant Staff	85
		Commercial & Administrative Staff	45
8	Transport	Connected by rail, road and air.	
		Nearest airports: Bhavnagar and Ahmedabad.	
9	Products	Investment Castings (Lost-Wax process) in Ferrous and Non-Ferrous alloys. Pieces of weight up to 100 Kg. fully machined, treated and ready-for-use components.	
10	Industries served	Automobile, Aerospace and Aviation, Valves & Pumps, Electrical & Electronics, Dairy & Food Processing, Earthmoving Machinery, Air-conditioning & Refrigeration, Paper and Pulp industries, Printing, Textile Machinery, Compressors, Cutting Tools, Machine Tools, Locomotives, Hand Tools, Sewing Machines, and many more.	
11	Strengths	11.1.0	Participative environment, motivated team and well developed systems.
		11.2.0	Above 40 team members Six Sigma Green Belt Certified by TUV.
		11.3.0	Young team, average age of employees is below 25 years.
		11.4.0	Reliability and consistency in our performance.
		11.5.0	Accepting the challenge of rapid development of complex new items including fully machined, treated and ready-for-use components.
12	Area of Works, in sq. metres	12.1.0	Land Area 47,555.00
		12.2.1	Production Area 8,386.60
		12.2.2	Inspection Room Area 475.49
		12.2.3	Storage Area 1,986.13
		12.2.4	Others 8,274.31
		12.2.0	Total Built up Area 19,122.53
13	Brief History	2004	Company was incorporated.
			Recognised as 100% Export Oriented Unit by Ministry of Commerce & Industry, Government of India.
		2006	Commercial Production commenced.
		2007	Received ISO 9001:2000 certification from TUV NORD, Germany.
		2008	Received ISO 14001: 2004 certification from TUV Nord, Germany.
			Received OHSAS 18001: 2007 certification from TUV Nord, Germany.
		2010	Received TS 16949:2002 certification from TUV Nord, Germany.
			Received PED 97/23/EC & AD 2000-Merkblatt W0 quality certifications from TUV NORD.
2014	First Investment Casting Company in India to receive the AS 9100C certification (Technically Equivalent to EN 9100:2009). Accredited by TUV NORD, Germany.		
	Received the SA 8000:2008 certification from TUV NORD, Germany. TCL became the first Investment Casting company in the World to receive this accreditation, and remains the only one as of date.		
2017	First Investment Casting Company in India to receive accreditation of IATF 16949. Accredited by TUV Nord, Germany.		
2019	Achieved NADCAP-NDT accreditation form PRI-USA (National aerospace and defense contractor accreditation programme in NDT.)
